Sharif Abdulla Al Fahad

Curriculum Vitae · European (Europass-style) format

Personal information

Name	Sharif Abdulla Al Fahad
Address	Dhaka, Bangladesh
Email	a.a.fahad0008@gmail.com
Phone	+880 1987-434142
Portfolio	faahaad23.github.io
LinkedIn	linkedin.com/in/abdulla-al-fahad-0a2219406
GitHub	github.com/faahaad23
Nationality	Bangladeshi

Profile

Computer Science and Engineering graduate working across MIS system training, user support, software testing and IoT-based environmental monitoring research. Trained government officials on the UNDP-supported Village Court Management Information System (VCMIS) in Bangladesh and documented software bugs and improvement opportunities. Co-author of an IoT pollution-monitoring paper accepted for poster presentation at GCPC 2026 in Sitges, Spain. Strong in leadership, event coordination, public speaking and visual content creation.

Work experience

2026 – present · MIS System Trainer VCMIS Project (Village Court Management Information System), UNDP-supported, in collaboration with the Government of Bangladesh · Bangladesh

- Trained approximately 404 government officials on VCMIS workflows and digital case management.
- Ran practical demonstrations and gave user guidance on routine system-use issues.
- Collected user feedback, reported software bugs and documented suggestions for improvement.

April 2026 · Management Trainee, Finishing Department GoodEarth Apparels Limited · Bangladesh

- Used the Trackwell management system for packing-list tracking and finishing-related reporting.
- Coordinated operational information to support reporting accuracy.

June 2022 – February 2024 · Student Ambassador, Digital Marketing Team Primeasia University · Dhaka, Bangladesh

- Supported university communication, promotional activities and student engagement.

Education and training

2024 · BSc in Computer Science and Engineering (CSE) Primeasia University · Dhaka, Bangladesh · CGPA 3.09/ 4.00

2019 · Higher Secondary Certificate (HSC) Cantonment Public School & College, Jahanabad · Khulna, Bangladesh · GPA 4.83 / 5.00

2017 · Secondary School Certificate (SSC) Govt. Laboratory High School · Khulna, Bangladesh · GPA 5.00 / 5.00

Research and conference

Co-author · Poster presentation, 2nd Global Cleaner Production Conference (GCPC 2026) Sitges, Spain · 26–29 October 2026 · Abstract Ref. 875

Design and Implementation of an IoT and Intelligent Software System for Pollution Monitoring on Time-Series Data in Urban Roads in Dhaka City

- Built an IoT monitoring approach with an Arduino Nano, KY-037 noise sensor, ENS160 air-quality sensor and AHT21 temperature sensor.
- Collected urban-road noise, CO_2-related air-quality and temperature data for time-series analysis.

Projects

- **Urban road pollution monitoring (IoT):** real-time collection of noise, air-quality and temperature data on Dhaka roads (Arduino, sensors, time-series analysis).
- **Automated plant watering system:** monitors soil moisture and starts watering when the plant needs it (Arduino, soil sensor).
- **Line-following robot (LFR):** sensor-based robot that follows a marked path; entered in about six university LFR competitions across Bangladesh.
- **Digital MIS training and support:** system demonstrations, user support and digital workflow assistance.

Leadership and achievements

Primeasia University Debating Club (PAUDC) · Executive Member to Vice President (Logistics)

- Took part in four ATN Bangla television debates.
- Winner, Inter-Region Cantonment Debate Fest (2019) and DUDS Present National Debate Fest (2019).
- Competed in national debate tournaments and served as a debate judge for nearly three years.

Primeasia University Sports Club (PAUSC) · General Secretary

- Progressed from Executive Member through Sub-Organising Secretary and Joint Secretary to General Secretary.
- Helped organise two central cricket tournaments, PAUCL Season 1 and Season 2.

Primeasia University Robotics Club · Joint Secretary, founding member

- Took part in about six line-following robot competitions hosted by universities across Bangladesh.

Primeasia University Computer Club · Executive Member

CSE Strikers Cricket Team · Team Captain (about three years)

- Right-arm fast bowler for the university's central cricket team, including national-level tournaments.

Personal skills

Mother tongue	Bangla
Other language	English (professional working proficiency)
Digital skills	MS Office, basic Python, Arduino and IoT system design, sensor data collection, software testing and bug reporting, Canva
MIS and training	VCMIS workflows, system demonstrations, user support, training facilitation, feedback documentation
Communication	Public speaking, debating, training, mentoring, television appearances
Organisational and leadership	Event management, logistics, team coordination, sports leadership
Other	Photography and digital content creation

Referees

Dr. Noman Hossain, PhD	Associate Professor and Head, Department of Computer Science and Engineering, Primeasia University, Dhaka, Bangladesh. Phone: +880 1403-217531 · Email: noman.hossain@primeasia.edu.bd
Dr. Nasrin Akhter, PhD	Associate Professor, Humanities Department, and former Convener, Primeasia University Debating Club, Primeasia University, Dhaka, Bangladesh. Phone: +880 1716-631013 · Email: nasrin.akhter@primeasia.edu.bd
